

Description

Discover a magnificent rustic estate situated in a natural enclave of great beauty, just 6 km from the Caminito del Rey and 12 km from the center of Álora, one of the municipalities with the greatest tourist and landscape appeal in the province of Málaga.

The property features a dry-land plot of approximately 63,543 m², dedicated to the traditional cultivation of olive, almond, and carob trees, offering multiple possibilities both for agricultural exploitation and for enjoying an authentic lifestyle in the heart of nature.

At the heart of the estate is a 181 m² house distributed over two floors, with 5 bedrooms, 1 bathroom, and a kitchen, as well as a cozy orchard with orange and lemon trees. Originally built around 1900, the house retains the charm of traditional Andalusian architecture and is in a good state of conservation, fully habitable, and continuously maintained.
