Price: €1,470,000

Discover a truly unique Andalusian estate perched on a hilltop above Coín, where you can enjoy both breathtaking sunrises and spectacular sunsets from the comfort of your own property.

Located just 15 minutes from Marbella and 5 minutes from the centre of Coín, this impressive 8,400 m² estate offers complete privacy, stunning panoramic views, and an exclusive lifestyle surrounded by nature.

Unlike many traditional fincas, this property has been almost completely rebuilt in recent years by its current owner, a professional in the construction industry. This is not simply an old finca that has been renovated, but a fully modernised estate where the buildings, technical installations and outdoor areas have all been extensively upgraded.
