

Description

This organic estate with two 180 m² houses is located on a majestic 40,000 m² plot high up on the mountain and offers a natural retreat surrounded by stunning scenery. A small river with crystal clear water flows on one side of the property, providing a tranquil and fertile environment. The land consists of several terraces, carefully landscaped to optimize organic farming and take advantage of the natural topography.

The heart of the estate are two main houses, built with a sustainable approach and ecological materials, combining modern comfort with a rustic and natural style. In addition, two bioclimatic buildings complement the houses, designed to provide maximum energy efficiency and comfort in all seasons. The entire estate is completely powered by solar energy, ensuring a self-sufficient and eco-friendly lifestyle.

The farm is characterized by its commitment to organic farming, with a wide variety of medicinal plants cultivated for the production of tinctures and...
