## Description

This well-built finca constructed in 1989 to high modern standards offers total privacy and stunning green views on a magnificent country plot of 12.000 m<sup>2</sup> only 10 minutes drive from a wealth of amenities and the beach at La Cala de Mijas. The property features a large lawn garden and pool with wonderful open views overlooking private meadows with wild flowers towards Santana Golf, with a majestic forest and mountain backdrop. This is truly a nature lover's paradise in an idyllic environment not far from the coast. Upon entry, there is a private gated driveway leading to extensive private parking and a chillout area with a great view of Mijas and the mountains. Inside, there is a spacious open plan living and dining area with fireplace opening onto the covered garden terrace with wonderful open views, a modern fully-equipped kitchen, two bedrooms with shared bathroom, and the possibility to create a fourth bedroom in the garage if required. The grand entrance hall leads upstairs to a mezzanine office area and the large master bedroom with en-suite bathroom, lots of wardrobe space and wonderful views. The well-built property features aluminium windows, solid wooden doors and carpentry in a traditional finca style, as well as efficient gas...
