
## Description

Spectacular Country House for Sale!

Have you ever imagined waking up surrounded by nature and peace? This country house is more than just a house; it's a haven where time stands still. Located in a privileged setting, it offers the opportunity to live in an architectural gem while managing your own holiday apartments.

This typical Andalusian country house maintains its original 19th-century structure and operates as tourist accommodation with all the necessary licenses. Completely renovated and listed as a unique property by the Málaga Provincial Council, it comprises a main house with a large living room and fireplace, high ceilings, and high-quality finishes, plus three additional annexes. It has a total of 10 bedrooms, 6 bathrooms, and can accommodate up to 25 people. It also features function rooms, a swimming pool, gardens, and ample parking.

The property for sale comprises a total of 82,861 m2 of land, including the...
