

Description

Cortijo with Large Plot and Stunning Sea Views

Have you ever dreamed of restoring a house with breathtaking views of the Mediterranean? Now is your chance. This cortijo offers a large plot with existing water supply and electrical connection. The extensive terraced plot is ready for cultivation and landscaping, allowing you to create your dream home.

Key Features:

- * Breathtaking Views: Enjoy panoramic views of the sea and mountains from the spacious terrace, the perfect place to spend time with family and friends.
- * Existing Space: As the house stands today, you enter into a living room that once also served as a kitchen. Straight ahead is one bedroom, and directly to the right, another bedroom.
- * Outdoor Potential: The spacious plot offers ample room to create more outdoor areas and a beautiful garden. A rainwater harvesting system with an underground water tank is connected to the house, and you have a share in the Patalamara water association....
