Description

The house is 146 m² and has two spacious bedrooms on the ground floor and a large attic, which could possibly be converted into two bedrooms.

One bathroom, kitchen, and living room with fireplace. Outside, there is a patio with storage space, a barbecue, and a washing machine.

The house is connected to mains water and electricity.

The driveway belongs to the house, including a carport in front of the house, from which you have spectacular panoramic views.

Then walk 20 meters and you will find a fenced plot. The land is almost entirely flat and has a space prepared for caravan parking. There is a shower and a toilet on the same plot for new owners who want to take advantage of an extra income. The plot measures no less than 18,000 m² and has 80 Hojiblanca olive trees actively producing extra virgin olive oil.

There are also 40 almond trees.

The house has a water supply.

Ideal for glamping or other activities, or keeping horses.

The property is completely fenced....
