

Description

Let me tell you something.

I walked into this apartment expecting to see just another property by the sea.

And the moment I crossed the door, I realized it was not.

There is something very difficult to explain when a place is genuinely well made. I'm not talking about artificial luxury or a renovation designed to impress during a twenty-minute viewing. I mean that quiet feeling of wellbeing that appears when everything simply makes sense.

The light.

The calm.

The terrace waiting for your morning coffee....
