Rare 3-4 Bedroom Apartment WITH Tourist License – Valle Romano Golf Resort, Estepona

A rare opportunity to own a large 3-4 bedroom apartment with a fully approved tourist license inside the highly popular Valle Romano Golf Resort — allowing immediate short-term rental income in one of Estepona's strongest year-round rental areas.

Located in peaceful West Estepona, this spacious home offers one of the largest layouts in the community. Currently arranged as a 3-bedroom, the separate dining room can be easily enclosed to create a true 4th bedroom or private office, ideal for families, golf groups, or holiday rentals seeking extra space.

The open-plan living area opens to a sunny terrace with views over the pool and community, with the option to extend the living room by integrating part of the terrace (a common upgrade within the resort)....
