

Description

Are you looking for comfort, natural light, and a high quality of life without compromising on anything? This spectacular ground-floor apartment is the kind of opportunity that rarely comes up on the market. It's move-in ready—just bring your bags—and designed for you to enjoy every day.

The highlights that will make you fall in love:

Your own peaceful retreat: A spacious and super cozy living-dining room that opens directly onto a fantastic glass-enclosed terrace. The ideal spot to enjoy breakfast in the sun or a relaxing read any time of year.

Space and smart organization: It features 2 bedrooms with built-in closets, optimizing every square foot so storage is never an issue.

Everyday functionality: A fully furnished and equipped separate kitchen, which also includes a separate laundry room for added convenience. It includes a full bathroom with a bathtub, perfect for unwinding after a long day....
