

Ground Floor Apartment in The Golden Mile

Description

This luxurious 4-bedroom ground floor apartment is located in the heart of Marbella's Golden Mile, offering the blend of apartment and villa living. The property spans a total of 470 m², including 229 m² of built space and a large 241 m² private garden. The living spaces are designed for comfort and luxury, with large windows connecting the indoor areas with the large private outdoor garden, creating a natural light throughout the apartment...
