

Description

???? "El Vergel de Álora" Estate: Two Homes, High Yield, and Abundant Water Supply

Are you looking for a profitable investment or a lifestyle change in the heart of the Guadalhorce Valley?

We present this magnificent 7,884 m² estate in Álora—a thriving agricultural gem that perfectly combines the comfort of two independent homes with the profitability of a well-established lemon plantation.

???? Guaranteed Profitability

The estate boasts an excellent annual production of approximately 10,000 kg of lemons. Thanks to its prime location and meticulous maintenance, it is a turnkey business active from day one.

???? A Rare Treasure: Water Security

In a rural property, water is everything. This estate is a rare find, featuring three...
