

Description

PLOT WITH PANORAMIC VIEWS IN ESTEPONA

A magnificent plot of approximately 3,898 m² situated in a privileged location in Estepona, ideal for those seeking tranquility, privacy, and direct contact with nature. The property boasts breathtaking panoramic views of the sea, mountains, and city, offering a unique setting on the Costa del Sol.

This rustic land, currently used for agriculture, features various crops, including orange, avocado, mango, and lemon trees, creating a natural environment of great scenic and productive value. Thanks to its characteristics and location, it represents an excellent opportunity for both agricultural use and enjoying a private natural space.

Currently, the plot does not have direct access, so a road or access path would need to be constructed to provide convenient access to the property.
