

153.000 €

🏠 3.100m²

Description

A lovely plot of land near the coast in the area of Istan, that offers a connected and legal electricity supply, two wells that provide plenty of drinking water and beautiful views of the mountains and lake. On the land we find an abundance of olive trees, avocado trees, nispero trees, and a fig tree. Also included in price are various machinery including earth moving machines. It is classified as Rustic and so there can be no legal construction.
