

Description

Rustic plot of 9,066 m² in Mijas - La Alquería

In a natural and quiet setting in Mijas known as Cuesta Borrego lies this large rustic plot of 9,066 m², a property with great potential for those looking to own land in the heart of nature with good possibilities for use within the permitted activities for rustic land.

The plot has a generous surface area and different areas of the land already cleared and prepared, as well as access via a path, which facilitates both entry and the use of different spaces on the property. Its location combines the characteristic tranquility of the countryside with proximity to Mijas Pueblo or Las Lagunas de Mijas in 10 minutes, without being completely isolated.

It is non-urbanizable land, so it is not intended for the construction of a conventional residential dwelling, nor can it be purchased through a bank mortgage. However, its rustic classification allows for the study of different...
