

Description

Two magnificent adjoining rustic plots of land are for sale with a total surface area of 36,230 m², offering an excellent opportunity both for agricultural use and for enjoying a privileged natural environment. One of the plots has 16,355 m² and the other 19,875 m², the latter including a charming 40 m² house along with a covered parking area.

The house has a legal well and a solar panel system, ensuring autonomy and sustainability. The property includes 1,240 olive trees in production, making it a farm with great agricultural and investment potential.

The land can be accessed via two dirt roads, providing convenient entry. Located in a quiet, well-connected area with stunning panoramic mountain views, this property is ideal for those seeking privacy, nature and quality of life without giving up good accessibility to nearby areas.
