

Description

FINCA LA TORRE — Property with more than 80 hectares, 35 minutes from Málaga city centre

Finca La Torre offers an exceptional combination of scale, privacy and strategic connectivity in one of Southern Europe's most dynamic destinations.

Located in the Montes de Málaga, the estate spans more than 80 hectares of natural landscape, creating a true sanctuary of silence, privacy and disconnection. At the same time, it remains highly accessible: approximately 35 minutes from Málaga city centre, 35–40 minutes from the AVE high-speed train station, 40–45 minutes from Málaga International Airport and around 60 minutes from Marbella.

This proximity makes the property especially attractive for private buyers, hospitality operators and international investors seeking authentic nature without compromising access, logistics or premium connectivity.
