

Land in Valle Romano

Description

Unique opportunity to acquire a south-facing frontline golf plot in Valle Romano, Estepona, complete with an existing structure and an approved project with building license. The plot measures 1,117 m² and enjoys panoramic views of the golf course, lake, sea, and surrounding mountains. The approved project allows for the immediate continuation of a 262 m² modern villa with private pool, garage, and multiple terraces. The current structure already in place saves both...
