Description

The sea is less than 30 metres away and you can feel it from the first moment you step on the terrace of this renovated apartment in Algarrobo Costa. On 51 m², the property offers everything a second home on the Costa del Sol needs: sea views to the south, panoramic mountains to the north, cool breezes from both directions and a 37 m² terrace large enough to spend real time, not just to peek out for a moment. The urbanization itself is a world of its own that is rarely found in this price range. Communal swimming pool, well-kept gardens and tennis court are available to all owners without the anonymity of large complexes. The urbanization is quiet, almost peaceful, but in no case isolated. Restaurants, supermarkets and a pharmacy are within walking distance, Torre del Mar is a 10-minute drive away and Malaga airport is about 35 minutes away, a relevant fact for those who travel several times a year and do not want to spend half a day in a rental car. The apartment has been renovated and modernised, including an aerothermal system, an efficient air conditioning solution that significantly reduces energy costs and makes day-to-day life pleasant both in summer and in low season. The air conditioning also ensures that even the...
