

Middle Floor Apartment in Algarrobo Costa

Description

The sea is less than 30 metres away and you can feel it from the first moment you step on the terrace of this renovated apartment in Algarrobo Costa. On 51 m2, the property offers everything a second home on the Costa del Sol needs: sea views to the south, panoramic mountains to the north, cool breezes from both directions and a 37 m2 terrace large enough to spend real time, not just to peek out for a moment. The urbanization itself is a world of its own that is rarely found ...
