

Middle Floor Apartment in Caleta de Vélez

Description

There are properties that do not stand out for great promises, but for making everyday life easier. This apartment, located in the sought-after Alexia urbanization, combines modern living with a location where much of the day-to-day can be enjoyed on foot. The beach, the port, shops and leisure options are practically on your doorstep. The property has four bedrooms, two bathrooms and an additional guest toilet. The spaces are bright, modern and practically designed. The open-concept...
