

Middle Floor Apartment in Fuengirola

Description

Higueron West is a modern and exclusive gated residential area between Fuengirola and Benalmadena. The area is known for its high quality architecture, green surroundings and the wide spectre of facilities. Reserva del Higueron has a very attractive location with a short distance to the beach, various amenities and public transportation. This area is at the same time quiet and private. From the apartment there is only a few minutes walk the th...
