

Description

Some apartments give you sea views. This one gives you the largest three-bedroom layout in Higuera — a rare combination of space, light and location that's hard to find twice in the same area.

South-facing and fully furnished, this home is built for the way people actually live on the Costa del Sol: doors open, light in, life spilling outdoors. The 132 m² interior is turn-key, with three bedrooms, two full bathrooms and a separate guest toilet — a detail most apartments this size skip, and one that makes a real difference when family or friends come to stay. Two terraces, one off the main bedroom and a generous 30 m² one off the open living and kitchen area, catch the sun from morning through evening and frame uninterrupted sea views. Two underground parking spaces and a private storage room complete the package, so nothing about daily life here needs to be figured out later.

Just outside, Higuera Sport Club is on your doorstep — padel and tennis courts, a heated indoor pool, a full gym, guided classes, and a spa and wellness clinic...
