

## Description

Beautiful south facing apartment in La Mairena often called Elviria Altos with stunning, open sea views all the way to Africa. The property has been completely refurbished recently and finished with great attention to detail and high-quality materials. It is located close to international schools. The apartment has a loft-style feel with impressive ceiling heights throughout, giving a great sense of space and light. The living room is very bright and opens directly onto the terrace. It connects seamlessly with the open-plan kitchen and dining area. There are clever design details throughout, including wallpaper covered doors that discreetly hide built-in storage in the living room. The same design approach is used in several areas of the apartment. The entire home features recessed LED lighting, all controlled via smart home automation. All interior doors are custom made to match the height of the new aluminium windows and doors. The kitchen is high end German design in matte black, with plenty of storage, both in the island and the full-height cabinet wall. It offers generous workspace with a ceramic countertop and is equipped with premium AEG appliances, including a steam oven, warming drawer, integrated fridge-freezer...
