

Description

LIVE... FEEL... BREATHE THE CITY: Málaga's most iconic street at your feet!

In the very heart of Málaga's historic centre, in an emblematic building of Marqués de Larios Street, lies this exclusive 80 m² apartment, set within one of the most representative buildings of 19th-century bourgeois architecture.

Situated on a corner, the property stands out for its extraordinary brightness, thanks to seven balconies wrapping around the home, offering privileged views over the elegant Marqués de Larios Street and a side glimpse of the majestic Málaga Cathedral, one of the city's most iconic landmarks.

The apartment preserves the stately character typical of historic city-centre buildings, with ceilings over three metres high that provide a remarkable sense of space, elegance, and openness. The abundant natural light, combined with its south-facing orientation, creates bright, airy, and welcoming living spaces throughout the day.

Living here means enjoying an absolutely prime location, surrounded by the finest boutiques, restaurants, and cultural venues in central Málaga, with the extraordinary Málaga Port, museums, and the old town surrounding you, every...
