

Middle Floor Apartment in Mijas

Description

This exceptional residence offers an exquisite blend of design, comfort, and panoramic beauty. Spanning a built area of 145 m², the apartment features two private terraces totalling 45 m², each thoughtfully designed with lush greenery, an automatic irrigation system, and a private jacuzzi. The 270° views embrace the sea, coastline, and surrounding hills — on clear days, even Gibraltar and the distant coast of Africa grace the horizon. A private 14 m² garage with direct elevator acc...
