A highlight is the generous 29 m² terrace, with newly installed flooring, which faces south, offering uninterrupted sunshine throughout the day and exceptionally beautiful panoramic sea views.

The interior of the property is characterized by abundant natural light, high-quality marble floors, and an optimized layout that makes it ideal for both year-round living and holiday stays.

The development features two swimming pools, extensive landscaped gardens, and a well-managed community with reasonable fees, fostering a harmonious and trouble-free environment.

Its location is strategic: a fifteen-minute walk from the beaches of Sonora, close to the Selwo area, just five minutes from sports facilities such as a gym and...
