
Description

An exclusive estate is presented in Campo Mijas, a distinguished area of Mijas in the province of Málaga. This remarkable property stands out for its impressive 100,000 m² plot, offering an oasis of privacy and endless possibilities in an incomparable natural setting, while also enjoying excellent mountain and countryside views, with partial sea views. The estate requires renovation, providing an exceptional opportunity to customize it according to the future owner's tastes and needs.

The property features a generous 2,650 m² of built area, distributed across various structures and spaces, including stables, paddocks, barns, residential houses, and additional facilities.

It is currently used as a horse hotel and equestrian training center, hosting riding lessons and related activities.

The estate is located just 15 minutes from La Cala de Mijas, ensuring convenient...
