Description

Penthouse with Sea and Coastal Views · Las Lomas de los Monteros, Marbella

The sea appears the moment you step inside. Wide, open, with nothing to interrupt it. It is hard not to stop and take it in.

With 197 m² of built space and 116 m² of terraces, the layout is generous and well considered: 3 bedrooms, 2 bathrooms, a guest WC and a separate utility room. One detail worth noting: hot and cold air conditioning is included in the community fees.

The heart of the apartment is a nearly 100 m² living room with an open-plan kitchen, flooded with natural light and with direct access to the main south-facing terrace. Sun in the morning, shade in the afternoon, fully enjoyable throughout the day. The master bedroom has its own private terrace, west-facing this time, perfectly positioned to catch the sunset.
