Description

Discover this elegant first-floor apartment with a private rooftop solarium in the exclusive Paraiso Pueblo residential community (Phase II, completed in 2023) in Benahavís, where contemporary Mediterranean style blends seamlessly with comfort, privacy and resort-style living. The apartment is located in one of the quieter, car-free areas of the community, close to the coworking area, restaurant, gym and the main swimming pool, yet not directly next to them, offering both convenience and a peaceful, intimate atmosphere. The property offers 106 m² of interior living space with 2 spacious bedrooms and 2 elegantly designed bathrooms finished with premium quality materials and modern design.

One of the apartment's most exceptional features is its privacy and open views. From the 16 m² private terrace, the living room and the bedrooms, you enjoy panoramic views of La Concha mountain and the landscaped green gardens — without looking onto other buildings, rooftops or pool areas. The property also includes a spectacular 55 m² private rooftop solarium with sea views, ideal for relaxing, sunbathing or entertaining under the Costa del Sol sun....
