

Description

Investment Opportunity!

Bright penthouse apartment of 62 m² (6,300 sq ft) located in the prestigious Montemar urbanization in Benahavís. This property represents an excellent value-add opportunity for investors looking to capitalize on the price difference through a strategic renovation.

This asset is offered at a competitive entry price due to the advanced stage of the legal/registry process. The mortgage debt has already been deposited with the court, and the property is vacant and under possession control, eliminating the usual risks of squatting. It is the ideal option for a buyer who understands the value of acquiring a discounted asset and is willing to wait for the formal resolution of the administrative process to capture a higher return.

PROPERTY NOT ELIGIBLE FOR MORTGAGE
