

Description

Corner Penthouse with Private Solarium & Open Sea, Golf and Hillside Views in Valle Romano, Estepona

Discover this charming corner penthouse in Phase 3 of the Villa Borghese urbanisation in this popular and rapidly developing area of Estepona.

Its privileged corner position provides extra privacy, natural light and a wonderful sense of space and tranquillity, with no direct neighbours on one side.

The property features 2 bedrooms and 2 bathrooms, an important advantage compared with several other penthouses currently available in Valle Romano.

The main terrace enjoys beautiful views, while the private rooftop solarium, accessible via stairs from the apartment, offers open sea, golf and hillside views. This is the perfect space for sunbathing, relaxing or enjoying al fresco dining throughout the year....
