

Penthouse in Puerto de Cabopino

Description

This is a very unique property right on the one of the best beaches in Marbella. This property is really unlike almost any other property in the Cabopino Port complex. The property offers the private and open upper terraces of a penthouse with a more sociable lower terrace that has direct access to a communal pool that is normally only enjoyed by a garden apartment. Really the best of both worlds. This property would suit a large family or social couple looking for plenty...
