

Description

???? Exclusive Triplex Penthouse with Stunning Sea Views in a Privileged Area

Welcome to this spectacular triplex penthouse, a recently renovated gem that combines the finest Italian design with the light and charm of the Costa del Sol. With 129 m2 of built space and several terraces, this property offers a unique living experience, where every corner has been designed to enjoy panoramic views of the Mediterranean Sea.

Design and European Quality

The home has been recently renovated using the highest quality materials with meticulous attention to detail. It features top-quality windows and prestigious doors that guarantee insulation, comfort, and energy efficiency. All furniture is imported from Italy, bringing a sophisticated, elegant, and timeless style that is evident in every room.

Functional and Bright Layout...
