
Description

Magnificent 864m2 plot, practically flat and with unobstructed views. The price includes a topographic survey, geotechnical study, and basic project for a modern 2-story house plus a semi-basement, totaling 305m2 of constructed area.

Proposed house layout:

1st floor - 3 en-suite bedrooms
Main floor - living-dining room, kitchen, and a bedroom with its own full bathroom
Semi-basement - with an open-plan leisure area, laundry room, storage room, utility room, and toilet
The plot is located in a well-connected area with all amenities such as supermarkets, sports centers, schools, hospitals, and bus stops.

Please note that our agency fees are already included in the sale price, so you wi...
