Description

Great town house in Cómpeeta. If you are looking for a home in a quiet place, without noise or pollution, with good views, with all the services of a city at hand and at a very reasonable price, this is a perfect option. The house was completely renovated in 2005. It consists of four floors. The first has a toilet, a small living room and a good bedroom. Going up to the second floor we find a bedroom, a complete bathroom, kitchen and living room. From the living room there is access to a workshop that has access to the street behind the house. The owner of the property can park a car at this exit. On the third floor there are two great bedrooms. And on the fourth floor there is another very large one, with access to a fantastic terrace that has a large kitchen, barbecue, solar panels, a water tank and incredible panoramic views of the town and the sea.
