

Semi-Detached House in C3mpeta

Description

A rare opportunity in the heart of C3mpeta! This impressive village house of 468 m2 is set in a quiet street, just a few steps from the lively Plaza Almirante. Built in 1965, it retains its authentic character and offers endless possibilities for renovation. What makes this property truly special is its beautiful central patio, around which the entire house is built. This traditional Andalusian feature brings light, air and a unique charm rarely found today. The house is spread over...
