

Description

Located in one of the most sought-after residential areas of Málaga, Puerto de la Torre, this spectacular semi-detached house offers 403 m² built. A property distinguished by its generous proportions, versatile layout, and outstanding value for money.

The main floor features a spacious and bright living room, a fully equipped independent kitchen with direct access to the outdoor area, and a guest toilet, creating a comfortable and functional living space. The upper floor is dedicated to the sleeping area, consisting of three bedrooms and a full bathroom, with the master bedroom benefiting from a large walk-in wardrobe that enhances both comfort and storage capacity.

One of the property's most remarkable features is its impressive basement level of approximately 220 m², with ceilings reaching nearly 6 metres in height—an exceptionally rare characteristic in the market. This expansive area currently accommodates a gym, office, leisure and entertainment spaces, laundry room,...
