

Semi-Detached House in Sedella

More info:

This extraordinary property blends over 400 years of history with contemporary living comfort. In 2022, it underwent a full renovation with great attention to detail and a strong focus on quality and sustainability. Since 1572, the house belonged to the diocese that ruled the region. It later served as the village priests residence until the early 20th century, when it became privately owned. The home offers approximately 254 m2 of living space across four levels. It features three...
