

Description

CORNER COMMERCIAL PREMISES WITH EXCEPTIONAL VISIBILITY IN SAN PEDRO ALCÁNTARA

The best commercial locations are those that make a business stand out before customers even walk through the door. This property offers exactly that.

With a registered built area of 155 m², comprising two physically connected registered commercial units, it provides a spacious, bright and highly versatile layout suitable for almost any commercial or professional activity.

Its prominent corner position, together with its extensive glazed façade and large display windows, ensures outstanding visibility and creates a strong corporate image throughout the year.

The interior can easily accommodate retail stores, corporate offices, medical practices, beauty centres, academies, boutique fitness studios, professional firm...
