

Description

Discover this charming apartment located in the very heart of Málaga's Historic Center, just steps from the iconic Plaza Constitución yet tucked away on a remarkably quiet street. Positioned on the second floor of a beautiful traditional building without an elevator, the home captures the authentic character of Málaga while offering comfort and tranquillity in the middle of the city's vibrant atmosphere.

The apartment is in good condition and features three bedrooms—two generously sized doubles and one smaller room ideal for guests, an office, or additional storage. It also includes a bathroom and a well sized functional kitchen. One of the most captivating features is the remarkably high ceilings, which enhance the sense of space and highlight the elegance of the original architectural details.

Even though much of the apartment is interior-facing, it enjoys impressive natural light thanks to several inner patios that allow sunshine to flow through...
