

Description

We present this beautiful home, located in the heart of Fuengirola, a gem lovingly restored with respect for its historic origins. The property retains original features that add character and exclusivity, such as its charming Sevillian patio and carefully restored railings that are over 150 years old, as well as a carved wooden coffered ceiling above the patio, designed especially for this home.

Located on a semi-pedestrian street just 200 meters from the beach, this house combines the tranquility needed to enjoy its surroundings without sacrificing proximity to the city center's entertainment district, bars, and shops. The construction quality is luxurious, visible at every turn.

The home has five spacious bedrooms, all equipped with built-in wardrobes and air conditioning systems. It also has three full bathrooms, an additional toilet, and a laundry room. The 40 m² living-dining room stands out for its century-old fireplace in perfect working order and its large windows that allow abundant natural light. From the living room, faux wood doors lead to a beautiful Sevillian-...
