

Townhouse in Guadalmina Baja

More info:

This three-bedroom townhouse in Guadalmina Pueblo is one of those rare finds you don't come across often — especially in such a prime Marbella location. It does need a full renovation, but that's exactly what makes it such an exciting opportunity. You get to shape it entirely to your taste, whether you're imagining sleek modern finishes, rustic Andalusian charm, or something in between. The location alone makes it worth the effort — just steps from the beach, next to the...
