

Description

Unique Luxury Townhouse with Amazing Sea Views.

This truly distinctive property is an absolute gem — upgraded to the highest standards using the finest materials and finishes, while offering an exceptional combination of luxury and breathtaking panoramas. Enhancements include a new kitchen, modern climate control systems, elegant glass curtains, and numerous other high-end bespoke details throughout. Boasting over 250 m² of interior living area and more than 80 m² of outdoor space distributed across several generous terraces, the residence provides an extraordinary amount of room for both comfortable family life and entertaining. Key highlights of this property include the private lift serving all levels, alongside direct access from the underground parking (accommodating two large vehicles) straight into the home — ensuring an extraordinary degree of comfort and peace of mind.
