Description

Fully refurbished 2-bedroom townhouse in La Campana, Nueva Andalucia

This is a beautifully renovated townhouse with two 2 bedrooms and 2 luxury bathrooms situated in the heart of La Campana just a short walk away from local sops restaurants and amenities. A short car ride away, are the beaches, designer shopping, and nightlife of Puerto Banus and the Golf Courses and sports facilities of the area are all within easy reach.

The house has been skilfully refurbished to provide elegant modern accommodation which has been specifically designed for comfortable modern living. This is an individual home and is not part of a community and is therefore only subject to the local taxes and no community fees.

The home is accessed by a courtyard style entrance leading into a hallway which has an extensive range of built-in wardrobes. The hallway opens into an open plan living room which includes a sitting and study area together with the...
