

Description

Ultimate rental machine! Also a great investment for renovation.

The famous Los Toreros urbanisation beside Marbella Arena

This modernised 4-bedroom, 4-bathroom townhouse is thoughtfully distributed over two floors and is located within a small, friendly, and well-maintained community.

The current owners have already begun upgrading and modernising the property, including the installation of a new fireplace and a newly fitted kitchen, creating a warm and contemporary living environment with plenty of potential to personalise further.

On the ground floor, the home features a spacious living and dining area, the new kitchen, and one bedroom, making it ideal for guests or single-level living if required....
