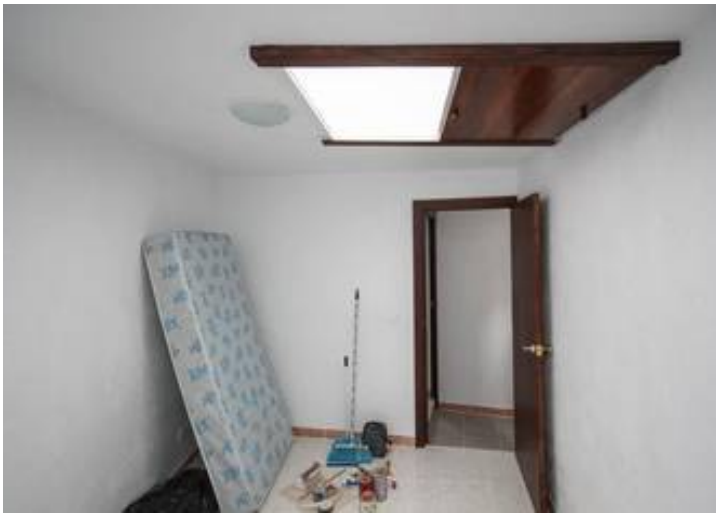
Description

MOVE-IN Ready

. Set in a pueblo close to the NATIONAL Park
. TRADITIONAL Spanish Environment
. Garage
. Double Glazing
. Close to many TAPAS Bars

Come and visit the hills of Tolox to view this wonderful property on the outskirts of town, walking distance into the center.


Aside from plenty of street parking, the property has a private garage, and entrance area that can only be accessed by the owners. The Andalusian green painted garage leads to extra space that could be used as a fourth bedroom and third bathroom. There is access here to the main house here via a spiral staircase.
