

Description

In a small, private residential development in the eastern part of Málaga, just 400 meters from the beach, between the towns of Nerja and Torrox Costa, in a privileged location equidistant from both (3 km inland), lies this small development of 37 properties built in 2024 to the most modern European standards of sustainability and amenities, including solar panels, a heated swimming pool, spa, communal areas, a gym, a café, and more. Here you'll find this beautiful and practical 156m² townhouse.

Once you pass through the private entrance to the development, you open your garage gate and enter the property.

Starting on the ground floor, you'll find three bedrooms and two bathrooms, along with two storage rooms.

Two of the bedrooms share a spectacular terrace with magnificent views and all-day sunshine, where the spa is located.

We go up to the next floor, the main one, where we find the kitchen, living roo...
